

**Kevin J. Bennett, BS, MS, PhD**

15 Medical Park Drive, Suite 300

Columbia, SC 29203

Office: 803-576-6042

Email: kevin.bennett@uscmed.sc.edu

**EDUCATION:**

PhD, 2004. University of South Carolina, Columbia, SC: 2001-2004. Public Health Administration, Health Services Research.

MS, 2001. James Madison University, Harrisonburg, VA: 1999-2001. Health Sciences, Administration of Health and Wellness Programs.

BS, 1997. Virginia Polytechnic Institute and State University, Blacksburg, VA Exercise and Health Promotion, Cum Laude.

**PROFESSIONAL EXPERIENCE**

Associate Professor. Department of Family and Preventive Medicine, University of South Carolina School of Medicine, Columbia, SC. July 2012 – present.

Duties Include: Research design and implementation, quality improvement program design, Writing project proposals; writing literature reviews; performing statistical analysis on health care data sets; interpreting results obtained from statistical analysis; writing research articles for peer-reviewed journal articles; presenting at professional conferences, resident physician instruction, data management for electronic medical record, and other administrative duties.

Research Director, Department of Family and Preventive Medicine, 2015-present: Duties include departmental grant supervision and monitoring, chairing Research Team meetings and duties, reviewing outside applications for research activity within the department, liaison with University research infrastructure, grant development, faculty research development, resident research development.

Associate Research Director, Department of Family and Preventive Medicine, 2013-2015: Duties include grant development, faculty research development, resident research development.

Senior Research Associate, SC Rural Health Research Center, 2005-present: Duties include project development and completion, oversight of research activities, grant development, contract development and implementation, student development, policy recommendations.

Assistant Professor. Department of Family and Preventive Medicine, University of South Carolina School of Medicine, Columbia, SC. August 2005 – June 2012.

Duties Include: Duties Include: Research design and implementation, quality improvement program design, Writing project proposals; writing literature reviews; performing statistical analysis on health care data sets; interpreting results obtained from statistical analysis; writing

research articles for peer-reviewed journal articles; presenting at professional conferences, resident physician instruction, data management for electronic medical record, and other administrative duties.

*Assistant Professor.* Jiann-Ping Hsu School of Public Health, Georgia Southern University, Statesboro, GA. August 2004 – July 2005.

Duties Included: Program director for the Master's of Health Services Administration Program, teaching related courses; curriculum development; accreditation reporting; program administration; student advising; writing project proposals; writing literature reviews; performing statistical analysis on health care data sets; interpreting results obtained from statistical analysis; writing research articles for peer-reviewed journal articles; presenting at professional conferences, and other administrative duties.

*Research Associate.* South Carolina Rural Health Research Center, Arnold School of Public Health, University of South Carolina, Columbia, SC. August 2001 – July 2004.

Duties Included: Participating in the full spectrum of research design and support tasks: writing project proposals; writing literature reviews; performing statistical analysis on health care data sets; interpreting results obtained from statistical analysis; writing research reports for federal funding agency; writing research articles for peer-reviewed journal articles; presenting at professional conferences, and other administrative duties.

*Graduate Assistant.* James Madison University, Harrisonburg, VA: August 1999 – May 2001.

Duties Included: Supervising Human Performance Laboratory operations, instructing undergraduate lab courses; performing research activities, performing various human performance laboratory tests on human subjects, calibrating testing equipment, ensuring privacy of patient records, controlling and ordering supplies, conducting health risk screenings, assisting Program Head in various tasks and duties.

*Clinical Program Supervisor.* RMH Wellness Center, Harrisonburg, VA: October 1998- August 1999

Duties included: Developing and coordinating Phase IV Cardiopulmonary rehabilitation program; developing and coordinating Lifestyle Management Program; developing and coordinating services offered in the Preventative and Rehabilitative Exercise Program; coordinating corporate wellness assessment offerings; working with special diseased populations; assessing financial performance of programs and services; marketing programs and services; ensuring stability and performance of computer and network systems; performing individual Nutritional Analyses; performing fitness assessments.

*Fitness Instructor.* RMH Wellness Center, Harrisonburg, VA: February 1998- October 1998

Duties included: performing fitness assessments; developing individual exercise prescriptions; performing individual orientations; supervising exercise floor; performing equipment maintenance; performing individual and group cholesterol screenings; performing administrative duties.

*Fitness Specialist.* L&T Health and Fitness, Falls Church, VA: June 1997-December 1997

Duties included: Fitness assessments; individual exercise prescriptions; individual orientations; internship student supervision; risk management coordination; equipment maintenance; incentive program implementation; group exercise leadership; administrative duties.

## ACADEMIC APPOINTMENTS

Adjunct Assistant Professor, Arnold School of Public Health (2005-present)

#### Submitted, Not Funded

1. Centers for Medicare & Medicaid Services, Network of Quality Improvement and Innovation Contractors. Role: Co-Investigator, 25% Effort, \$100,000.
2. American Cancer Society, Institutional Research Grant. Rural-Urban differences in Medicare service use and expenditures in the last six months of life for cancer patients. Role: Co-Investigator, 10% Effort in kind, \$29,500.

3. University of South Carolina ASPIRE-II, Utilization of Spectral and Entropy-based Techniques in Machine Learning Algorithms to Identify the Development of Type II Diabetes Mellitus. Role: Co-Investigator, 8% Effort, \$88,791
4. University of South Carolina Research Engagement RFP. Patient-Centered Research Collaborative (PCRC). Bennett KJ Et al. Role—Principal Investigator, 10% Effort In-Kind, \$25,000.
5. HRSA, Center for Rural Telehealth Research (CRTR). Bennett KJ et al. Role—Co-Principal Investigator, 40% Effort, \$503,049
6. University of South Carolina Aspire RFP. Opioid Prescribing in South Carolina: a Patient, Provider and County Level Analysis. Bennett KJ, et al. Role—Co-Principal Investigator, 10% Effort In Kind, \$14,800.
7. Robert Wood Johnson Foundation, Research in Transforming Health & Health Care Systems. Evaluation of an Alternative Payment Model on Quality Metrics among Pediatric Practices in South Carolina. Role—Principal Investigator, 10% Effort, \$73,655
8. University of South Carolina Aspire II. Personalizing Medicine through Development and Validation of Clinical Decision Rules. Role-Co-Investigator, 3% Effort, \$96,800.
9. AAMC, Building a Systems Approach to Community Health and Health Equity for Academic Medical Centers. Role--##, #% Effort, \$#.
10. South Carolina Department of Mental Health Ensor Trust. Opioid Prescribing in South Carolina: a Patient, Provider, and County Level Analysis. Role-Co-Investigator, 5% In Kind, \$14,800
11. National Institutes of Health, Minority Health and Health Disparities, PA-13-302 (R01) Parent Research Grant Project. The effect of reducing hunger on health care utilization and expenditures (Resubmission). Role-Co-Investigator, 10% Effort, \$903,303
12. University of South Carolina Aspire RFP Center for Enhanced Clinical Decisionmaking, Strayer et al. Role—Co-Investigator, 5% In Kind, \$24,739.
13. Pew Charitable Trust, School Health Impact Assessment. Schaffer et al. Role—Co-Investigator, 2% Effort, \$94,754.
14. National Institutes of Health, Minority Health and Health Disparities, PA-13-302 (R01) Parent Research Grant Project. The effect of reducing hunger on health care utilization and expenditures. Role-Co-Investigator, 10% Effort, \$903,303
15. American Cancer Society. A Novel and Innovative Geographic Information Systems Approach to Prostate Cancer Disparities: Shifting the Paradigm. Role—Co-Investigator, 5% Effort, \$644,947.
16. American Cancer Society. Healthcare Access and Colon Cancer Disparities: An Innovative GIS Approach. Role—Co-Investigator, 5% Effort, \$514,194
17. National Institutes of Health PAR-11-314, Systems Science and Health in the Behavioral and Social Sciences (R01). Reducing Medication Administration Process Redesign Risk through Computer Simulation (Resubmission). Snyder R, Bennett KJ, et al. Role: Co-Investigator, 10% Effort, \$615,856.

18. National Institutes of Health. CASM-DS for Diabetes in Primary Care. Merriweather et al. Role—Co-Investigator, 15% Effort.
19. National Institutes of Health Patient Centered Research, Infrastructure Development Program in Patient-Centered Outcomes Research (PCOR) (R24). Role: Co-Investigator, ##.
20. Duke Endowment. South Carolina Health Coordinating Council. Moskowitz, Bennett KJ, et al. Role—Evaluator, ##.
21. National Institute for Health Care Management (NIHCM) Foundation. Costly cutback? Changes in inpatient hospital utilization and expenditures subsequent to rural hospital closure. Role: Principal Investigator, 8% Effort, \$99,444
22. Office of Rural Health Policy, Health Resources and Services Administration; South Carolina Rural Health Research Center. Role: Co-Investigator, 20% effort, \$2,400,000
23. HRSA-17-03 Rural Policy Analysis Cooperative Agreement. Role: PI, 35% Effort, \$890,339.
24. AHRQ PA15-147. Costly cutback? Changes in inpatient hospital utilization and expenditures subsequent to rural hospital closure. Role: Principal Investigator, 8% Effort, \$99,444
25. HRSA 15-054 Primary Care Training and Enhancement Awards. Residency Education and Care Transformation (REACT). Role: Co-Investigator, 20% Effort, \$1,104,315
26. HRSA-15-136: Rural Recruitment and Retention Program. NCAHC's Rural Recruitment and Retention Analysis Cooperative Agreement. Role: CO- Investigator, 16% Effort, \$900,000.
27. Duke Endowment. Evaluation of Rural Health Network Outcomes in an Enhanced Electronic Health Information System (HIS) Environment Role: Principal Investigator, 10% Effort.
28. National Institutes of Health PAR-13-126: Fogarty HIV Research Training Program for Low-and Middle-Income Country Institutions. South Carolina Mbeya Research Training and Infrastructure (SMRTI). Bennett KJ (Co-Principal Investigator). 20% Effort, \$1,433,513
29. National Institutes of Health, PAR-11-314, Systems Science and Health in the Behavioral and Social Sciences (R01). Reducing Medication Administration Process Redesign Risk through Computer Simulation. R. Snyder (PI). Role—Co-Investigator, 20% effort, \$2,017,885
30. American Dental Association Dental Quality Alliance Martin A, Bennett KJ, Hardin J, Hipp C, Mercer JE, Boynes S. Response to Call for Proposal Feasibility, Reliability and Validity Testing for Dental Quality Alliance Measures.. Role—Co-Investigator, 10% effort, \$55,456
31. Feasibility, Reliability, and Validity testing for Dental Quality Alliance Measures. A. Martin (PI). Role—Co-Investigator.
32. Health Resources & Services Administration, HRSA-12-176, Rural Health System Analysis and Technical Assistance Cooperative Agreement. Rural Health Systems Analysis and Technical Assistance Center: The Rural 3D Project. J. Probst (PI), Role—Co-Principal Investigator, 40%, \$1,798,067

33. The Duke Endowment. Evaluation of Rural Health Network Outcomes in an Enhanced Electronic Health Information System (HIS) Environment. Bennett KJ, Snyder R, Cai B. Role: Principal Investigator, 20% Effort, \$426,753
34. Agency for Healthcare Research and Quality. Researching Implementation and Change while Improving Quality (R18). The Organizational Assessment of Change (OAC). Role: Principal Investigator, 40%. Submitted September 2011. \$840,709
35. Agency for Healthcare Research and Quality Small Research Grant Program (R03). Bridging the Quality Gap. Role: Co-Investigator, 10% effort. Resubmission, September 2011. \$97,284.
36. University of South Carolina Internal Grant Program. Rural Minority Representation in the National Data Sets: Estimates and Alternative Weight Creation. Submitted September 2011, \$19,766
37. Agency for Healthcare Research and Quality Large Conference Grant Program (R13). South Carolina Patient Safety Symposium. Role: Co-Investigator, 5% effort. Submitted June 2011. \$292,069.
38. Centers for Disease Control & Prevention. A Feasibility Study of Data Linkage between South Carolina's Best Chance Network, Central Cancer Registry, and Medicare. Role: Co-Investigator, 10%. Submitted March 2011. \$479,494.
39. Agency for Healthcare Research and Quality. Researching Implementation and Change while Improving Quality (R18). Role: Role: Principal Investigator, 25% Effort. Submitted January 25. \$589,849
40. Agency for Healthcare Research and Quality. Patient Safety and Medical Liability Reform Demonstration Projects (R18). SCHA / Palmetto Health. Role: Co-Investigator, 25% Effort, \$1,530,107

#### Funded Contracts

##### Current:

1. SC Center for Rural and Primary Healthcare. SC Department of Health and Human Services. 2017-present. Role-Director of Research & Evaluation, 45% Effort. 8,200,000
2. Catawba CMHC/Community Medicine Foundation Primary Care Initiative. SAMHSA 2017-2020. Role—Lead Evaluator, 10% Effort. \$75,000
3. Savannah River Rural Health Network. Evaluation of the Rural Network Development Grant, HRSA 2017-2020. Role—Lead Evaluator, 10% Effort. \$75,000
4. Upper Midlands Rural Health Network. Evaluation of the Rural Network Development Grant, HRSA. 2017-20. Role— Lead Evaluator, 10% Effort. \$106,316

##### Previous:

1. SC Office of Rural Health. Medicare Rural Hospital Flexibility, FLEX Program Evaluation. Role: Lead Evaluator, 8% Effort, \$80,000.

2. South Carolina Department of Health and Human Services. SCDHHS Environmental Scan of SC Healthcare Providers' Adoption and Use of Certified EHR Technology Cooperative Agreement. 2015. Role: PI, 10% Effort, \$75,000
3. SC Office of Rural Health. Medicare Rural Hospital Flexibility, FLEX Program Evaluation. Role: PI, 8% Effort, \$25,000.
4. Abbeville Area Health Center. Evaluation of the Paramedicine Project. 2013-2015. Role—Principal Investigator, 8.8% Effort, \$25,000
5. Upper Midlands Rural Health Network. Evaluation of the Rural HIT Network Grant. 2013-2014. Role—Principal Investigator, 8.8% effort, \$25,000
6. Health Sciences South Carolina. Clinical Data Warehouse. 2013-14. Role—Investigator, 10% effort.
7. South Carolina Department of Health and Human Services. Health Information Exchange (HIE) Evaluation Cooperative Agreement. 2012-2013. Role: Co-Principal Investigator, 20% Effort. \$100,000

### Research Study Sections

1. US Department of Agriculture, 1890 Capacity Building Grants (CGB) Research Panel. October, 2017.
2. Healthcare Resources & Services Administration, HRSA-16-029 Maternal and Child Health Secondary Data Analysis Studies. January, 2016
3. Healthcare Resources & Services Administration, HRSA-14-033 Affordable Care Act - State Loan Repayment Program (SLRP) Objective Review, July 2014
4. Healthcare Resources & Services Administration, HRSA-14-043 Rural Health Developmental Planning Grant Program, March 2014.
5. Centers for Medicare and Medicaid Services, Health Care Innovation Grants, December 2013

## **TEACHING**

### Dissertation Committees

1. Melinda Merrell, School of Public Health, Graduation May 2019.
2. Melanie Gwynn. School of Public Health, Graduation May 2019.
3. Shamika Walls. School of Public Health, Graduation December 2018.
4. Matthew Yeun. Internet Speed and The Effect On Health Information Technology Adoption School of Public Health, Graduation August 2017.

5. Jume Wang. Examining The Relationship Among Patient-Centered Communication, Patient Engagement, And Patient's Perception Of Quality Of Care In The General U.S. Adult Population. School of Public Health, Graduation August 2016.
6. Ashley Robertson. Effects Of Long Term Care Facility Residency And Payer On Risk Of Potentially Preventable Hospitalization And Total Medicare Expenditures. School of Public Health, Graduation August 2016.
7. Yu-Hsiu Lin. Area Deprivation, Area Health Resources, and Older Adults' Health-Related Quality of Life. School of Public Health, Graduation Fall 2015.
8. Ashley Barnes, Relationship Between Job Satisfaction Among Frontline Staff And Patient Satisfaction: Evidence From Community Health Centers In South Carolina. School of Public Health, Graduation Summer 2015.
9. Chelsea Deroche, Diagnostics And Model Selection In Generalized Linear Models And Generalized Estimating Equations. School of Public Health, Graduation May 2015
10. Grishma Patel Bhavsar, Association between Electronic Prescribing among Ambulatory Care Providers and Adverse Drug Event Hospitalizations in Older Adults. School of Public Health, Graduation May 2015
11. Nathaniel Patterson, Use Of Hospital And Emergency Department Services Among Dually Eligible Beneficiaries In South Carolina's Community Long-Term Care (Cltc) Program . School of Public Health, Graduation December 2014
12. Deshia Leonhirth, The Relationship Between Electronic Health Record Functionality And Risk-Adjusted Operative Mortality Rates. School of Public Health, Graduation August 2014
13. Tammy Harris-Cummings, Modelling Heaped Count Data. School of Public Health, Graduation May 2013
14. Prea Thathiah, Antibiotic Usage in Relation to Resistant Bacterial Infections and Liver and Kidney Cancer Outcomes in South Carolina. School of Public Health, Graduation May 2013
15. Amy Joseph, Improving the Diagnostic Accuracy of Failure to Rescue. College of Nursing, Graduation December 2012
16. Jordan Mitchell, Association Between Clinical Decision Support System Use And Health Care Disparities In The Treatment Of Acute Myocardial Infarction And Pneumonia, School of Public Health, Graduation August 2012
17. Chaiporn Pumkam, Healthcare Utilization And Expenditures Among Adults With Disabilities, School of Public Health, Graduation May 2012
18. Stephanie Allen, The Nurse-Patient Assignment: Purposes, Decision Factors And Steps Of The Process. College of Nursing, Graduation May 2012
19. Kristen Schuller, Effectiveness of Medicare's Non-Pay Policy on Hospital-Acquired Conditions, School of Public Health, Graduation May 2012
20. Vivian Dicks, Congestive Heart Failure Hospital Admissions Among Working-Age Adult Patients In South Carolina, 2008. August 2011
21. Paihuei Peng, Assessment of The Factors Associated With Acceptance Of Retinal Screen Among Persons With Diabetes In Taiwan, School of Public Health, Graduation May 2010

22. Nathan Hale, Gestational Diabetes: The Role Of Prenatal Care And Continuity Of Insurance Benefits Postpartum On Excessive Fetal Growth Outcomes And Postpartum Screening For Diabetes Among South Carolina Women, 2004-2007, School of Public Health, Graduation Spring 2010

#### Master's Thesis Committee

1. Charity B. Breneman, Individual- And Neighborhood-Level Determinants Of Emergency Department Utilization Among Patients With Diabetes In South Carolina. School of Public Health, Graduation May 2015

#### Master of Health Administration Residency Supervision

1. Joe Collins. Documentation of Childhood Immunizations. School of Public Health, Spring 2010
2. Timothy Collins. HITECH Policy and Continued Standardization of Patient Data through EMR Use in the Lakelands Rural Health Network. School of Public Health, Fall 2011
3. Carrie Baxley. Cycle time in an ambulatory setting. School of Public Health, Fall 2011
4. Ashley Vertuno. Operational dashboard in an ambulatory primary care practice. School of Public Health, Spring 2012
5. Jason Rhodes. Systematic Data Management. School of Public Health, Spring 2012
6. Will Camp. Evaluation of a Rural Health Network. School of Public Health, Spring 2014

#### Master of Public Health Practicum Supervision

1. Erika Manning. Evaluation of a Community Paramedicine Program. School of Public Health, Fall 2015

#### Master of Health Information Technology Residency Supervision

1. Kanai Bhavsar. The development of an electronic tool to observe patient experiences and The implementation of a patient portal at the University of South Carolina School of Medicine specialty clinics. School of Public Health, Spring 2015

#### Courses Taught:

University of South Carolina, Columbia, SC: August 2005-Present

HSPM 766: Health Services Administration I. Role: Co-Instructor. 35 Students, 9 total contact hours. Topics covered included: An overview of Health Care Quality, Quality Management in Inpatient and Outpatient Settings, Quality Measurement, Pay for Performance, and Policy relevant to quality.

HSPM 713 -- Information Systems in Health Administration. Role: Instructor. 53 students, 39 total contact hours. Topics covered included: the role and development of information systems in administration of health programs; development of process and outcome measures from program objectives; information acquisition, processing, and reporting; decision-making; policy relevant to information technology, and emerging issues in HIT.

Georgia Southern University, Statesboro, GA: August 2004 – July 2005

HLTH 7330-- Health Services Administration. Role: Instructor. 12 students, 39 total contact hours. Topics covered included the structure and functioning of the health care delivery system, its components (including hospitals, long-term care, and ambulatory care; financing of the system (including managed care and private vs. public insurance); public health; and integrated delivery systems.

HLTH 7332-- Health Policy Topics and Ethics. Role: Instructor. 13 students, 39 total contact hours. Topics covered included: Health care policy and biomedical ethics; legal topics (including living wills and medical power of attorney); HIPPA and confidentiality; extensive case study and discussion regarding these issues.

HLTH 7333-- Strategies for Managed Care. Role: Instructor. 3 students, 39 total contact hours. Topics covered included: overview of managed care systems and processes; the role of health care administrators in managing and negotiating contracts; monitoring and analyzing medical practice patterns; extensive use of case studies and discussion.

HLTH 7331-- Health Care Financing. Role: Instructor. 14 students, 39 total contact hours. Topics covered included: payment systems for hospitals, long-term care organizations, integrated delivery systems, ambulatory care and other health care providers; third party payment reimbursement system for private and public insurers; capitation; prospective payment systems (DRGs and PPSs); medical payment incentives; risk assessment; and health reform initiatives.

HLTH 3132-- Health Care Systems. Role: Instructor. 43 students, 39 total contact hours. Topics covered included: overview of the current US health care system; interaction of the components of care delivery; health care finance and reimbursement strategies; access to care; barriers to care; and emerging issues in health care delivery.

Midlands Technical College, Columbia, SC: January 2004- May 2004.

AHS 102-- Medical Terminology. Role: Instructor. 52 students, 39 total contact hours. Topics covered included: medical terminology roots, bases, prefixes, and suffixes; proper use, interpretation, and abbreviations were also discussed.

AHS 119-- Health Careers. Role: Instructor. 36 students, 39 total contact hours. Topics covered included: an overview of job duties, responsibilities, career opportunities, and

salary potential for a variety of health careers; and educational options to obtain such careers.

James Madison University, Harrisonburg, VA: August 1999 – 2001.

HTH 480-- Health Assessment Techniques. Role: Teaching Assistant. 37 total students, 30 total contact hours. Topics covered included: orienting students to testing equipment, conveying testing principles, creating laboratory assignment, grading laboratory assignments, and assisting in student testing projects.

HTH 308-- Therapeutic Assessment. Role: Teaching Assistant. 23 total students, 15 total contact hours. Topics covered included: orienting students to testing equipment, conveying testing principles, creating laboratory assignment, grading laboratory assignments, and assisting in student testing projects.

## Lectures

### USC School of Medicine

BMSC 756 Advancing Medical Practice through Research; Research Methods (2017 – present). 30 Students, 9 hours per year.

Introduction to Clinical Medicine – II; Preventive Medicine—Statistics for Physicians (2016 - present) – 85-90 students, 3 hours per year

Introduction to Clinical Medicine – II; Preventive Medicine—Finance for Physicians (2006 - present) – 85-90 students, 1 hour per year

Introduction to Clinical Practice I—Introduction to Health Care Administration (2007 - present) – 85-90 students, 1 hour per year

Introduction to Clinical Practice I—Introduction to Public Health—MI (2007 - present) – 85-90 students, 1 hour per year

Introduction to Clinical Medicine I—Prevention in Primary Care Group Project Preceptor (2006-present) – preceptor for 12 students each year who were completing a practice-based assessment of how preventive care was incorporated into clinical care; reviewed and provided feedback on required paper from this experience

Preventive Medicine Residency—Health Administration Lecture Series (2006 - present) – 2-4 residents per year; this series included small group teaching on the health care system, health care reform, quality of care, health care finance, and public health.

Family Medicine Residency—Community Medicine Rotation (2006 – present) – involved meeting monthly with resident on Community Medicine rotation to discuss the topics of social capital and patient panel management.

BMSC 756: Advanced Medical Practice through Research. (2017); 20 Students, 3 hours.

Institute for Primary Care—Health Care Finance. March 2015, 75 students.

Introduction to Clinical Medicine – II; Preventive Medicine—Quality of Care (2006-present) – 85-90 students, 1 hour per year

#### USC School of Public Health

HSPM 709: Perspectives on Rural Health. Spring 2017. Rural Health Information Technology; 15 students, 1 hour

SCRHRC: Graduate Student Enrichment series. Academic Job Search, Community Grants, Data Management

EPID 802: Advanced Analytical Methods in Epidemiology. Data and Grant Writing. Fall 2014, 2015, 30 students

HSPM 707 – Rural Health Policy: Rural Health Care. Spring 2009. 13 students, 1 Hour.

HSPM 713—Information Systems: Continuous Quality Improvement in Reality. Fall 2008. 50 Students, 1 Hour.

HSPM 713—Information Systems: Use of EMR / HIT in Practice. Fall 2007. 50 Students, 1 Hour.

HSPM 719—Health Services Research Methods: Electronic Medical Records in Research. Spring 2007. 9 students, 1 Hour.

HSPM 800 – Doctoral Seminar: Physician Visit Cycle Time. Spring 2006. 12 Students, 1 Hour.

#### USC College of Nursing

NURS 811: Quantitative Methods in Nursing Research. Large Databases and Research uses. Spring 2015, 3 students

### **CURRICULUM DEVELOPMENT**

Georgia LEADS (Life-long Education and Economic Development Services)

Healthcare Management Certificate Program: Developed two modules to be taught via online-learning modalities, state wide: *Finances & Accounting for the Non-Accountant Manager* and *Systems Thinking and the Management Team*. March, 2005.

## **PROFESSIONAL SERVICE:**

University of South Carolina School of Medicine

Student Services and Publications Committee (2006-2009)

Faculty Senate (2008-2011, 2013-2016)

Faculty Welfare Committee Senate Subcommittee (2008-2011), Chair (2010-2011)

Faculty Liaison Committee (2008-2011)

Tenure & Promotion Committee (2011-present)

Steering Committee, Global Health Initiative (2015-present)

Research Strategic Planning Committee, 2016

PH-USC Legislative Committee, 2017-Present

Faculty Mentor, Rural Health Interest Group, 2018-present

Department of Family and Preventive Medicine (2005-present)

Research Director (2015-Present)

Leadership Team (2015-present)

Quality Improvement Team (2005-present)

Research Team (2005-present)

Clinical Executive Team (2005-2011)

Standing Meeting Attendance (2005-present)

DFPM Faculty Meetings

South Carolina Rural Health Research Center Staff Meetings

USC SOM Faculty Meetings

USC School of Public Health Faculty Meetings

Other:

South Carolina Hospital Association, Adverse Event Reporting System Steering Committee (2010-2011)

University of Nicosea, Cyprus Greece. Research Consulting, Department of Family Medicine. In Kind. 2017-present

Rural Health Information Hub, Editor: Health Disparities;

<https://www.ruralhealthinfo.org/topics/rural-health-disparities> May 2014, July 2017.

## **AWARDS**

John Snow, Inc. / National Rural Health Association Student Leadership Award, May 2004

## **PROFESSIONAL SOCIETIES:**

American Public Health Association, 2010-present

Academy Health, 2005 – present

- Quality Interest Group, 2006-present

National Rural Health Association, 2002 - present.

- Board of Trustees, 2018-Present
- Research & Education Constituency Group Chair, 2018-Present

- Journal of Rural Health Editorial Board, 2014-present; Chair, 2015-Present
- Finance Committee, 2010-2016
- Rural Health Policy Congress, 2010-2016, 2018-present
- Conference Committee, 2003-2005, 2012
- NRHA Student Constituency Group, Chair, 2002-2006
- Co-Founder, National Rural Health Association Student Interest Group; 2003
- Co-Founder, University of South Carolina Student Rural Health Association; 2003

South Carolina Rural Health Association, 2002 - present.

South Carolina Public Health Association Abstract Review Committee, 2004

Virginia Association for Health, Physical Education, Recreation, and Dance, 2000 - 2001.

American College of Sports Medicine, Southeastern Chapter, 1999 - 2001.
